## Summary

Results-driven Frontend Engineer with over 4 years of experience in building dynamic and high-performance UIs. Proficient in Next.js, React.js, TypeScript, and Chakra UI, with a strong focus on clean code structure and responsive design. My collaborative approach has led to successful partnerships with designers and backend engineers, contributing to a 25% increase in site speed and 30% growth in user engagement. I am passionate about leveraging technology to drive innovation and contribute to organizations' missions.

## Skills

JavaScript • React • Next.js • TypeScript • HTML5/CSS3 • C • Expo • PostgreSQL

## Work Experience

### Frontend Developer

Aug 2022 – present

Storep • Full-time

Remote

**Technologies:** JavaScript • React • Next.js • TypeScript • C

- Led the redesign of Storep's e-commerce platform using Next.js, Chakra UI, and Tailwind CSS, achieving a 25% faster site, 40% higher user engagement, and 30% more conversions in three months.
- Optimized the product catalog and checkout flow with the API, reducing cart abandonment by 20% and increasing average order value by 15%.
- Enhanced platform efficiency by implementing React Context API and Axios for seamless state management and functionality.

### Frontend Developer

Sep 2023 – Dec 2024 • 1 yr 3 mos

Qore • Contract

Remote

- Integrated secure payment workflows with APIs, enhancing reliability and reducing errors by 15%.
- Collaborated on UI/UX improvements and deployment optimizations, cutting deployment time by 20%.
- Developed admin tools to improve service management, boosting user satisfaction by 25%.
- Ensured scalability and 99.9% uptime by optimizing frontend architecture for growing customer demand.

### Frontend Developer (Intern)

Jan 2023 – Aug 2023 • 7 mos

Sanwo • Full-time

Remote

**Technologies:** Chakra UI • Next.js • TypeScript • JavaScript • HTML5/CSS3

- Designed and developed a travel web application using Next.js and TypeScript, featuring visa processing, flight bookings, relocation assistance, and secure transactions via an escrow service.
- Implemented secure authentication protocols with JavaScript (ES6+), integrated RESTful APIs, and crafted mobile-responsive interfaces with HTML5 and CSS3, boosting mobile traffic by 30%.
- Utilized Redux for state management and led feature enhancements, achieving a 20% increase in user engagement and 15% improvement in customer retention.
- Streamlined development cycles by 15% through collaboration with senior developers, thorough code reviews, and efficient deployment processes, while leveraging Git for version control.

Web Developer

Aug 2024 – Sep 2024 • 1 mo

Martfuse Digital Solutions • Freelance

Remote

Technologies: Next.js • JavaScript • TypeScript • Chakra UI

- Designed and developed a mobile-responsive landing page for Martfuse Digital Solutions, driving a 25% increase in inquiries and helping secure international contracts.
- Enhanced client engagement by integrating a professional email system, streamlining support and improving communication efficiency.
- Achieved a 30% reduction in response time through optimized contact workflows, resulting in better customer satisfaction.
- Delivered a polished and user-focused design, ensuring compatibility across devices and contributing to the company's global reach.

Frontend Developer

Jul 2024 – Aug 2024 • 1 mo

HNG • Contract

Remote

Technologies: NestJS • React • TypeScript • JavaScript • Git

- Contributed as a Frontend Engineer to the development of a game web application using Next.js, shadcn, TypeScript, and Tailwind CSS, building reusable components and implementing key game logic.
- Designed a seamless, mobile-responsive user interface, ensuring optimal performance and a visually engaging experience across devices.
- Integrated Centrifugo with WebSocket connections to manage real-time user activities, enabling dynamic and interactive gameplay.
- Focused on scalability and maintainability by utilizing modern tools and frameworks, enhancing development efficiency and team collaboration.

Education

Bachelor's degree: Mathematics

Oct 2017 – Jul 2022 • 4 yrs 9 mos

University of Ibadan

Ibadan, Nigeria

Languages

English (Professional working proficiency)
